We are proud to announce that Andrew Canter, Chief Investment Officer (CIO) at Futuregrowth, was awarded the **Absa Business Leadership Award for 2021** at a virtual ceremony on Sunday evening, 7 November 2021. This award forms part of the Absa Jewish Achiever Awards. This year, the focus was on celebrating those who have brought hope at a time in which positivity was limited, and who will continue to inspire in the future.

The award affirms the positive impact Futuregrowth has made under Andrew's leadership and guidance since its inception. Andrew notes: "The accolade arises from our mutual 25 years of serving our clients and the country with diligence and integrity. This recognition belongs to the entire Futuregrowth team – past and present".
